

CEE Broadening Participation and Workforce Development
01/12/2021 Call Notes

Participants: Linda Akli, Kate Cahill, Sue Fratkin, Rosie Gomez, John Holly, Je'aime Powell, Susan Mehringer, Aaron Weeden

1. Admin

- a. Reminder - Risk Register Reviews due by 1/31/2021
- b. Alert: NSF issued NSF Transforming Science Through Cyberinfrastructure <https://www.nsf.gov/cise/oac/vision/blueprint-2019/Data-Software.pdf> in December. Recommend everyone read.
- c. Alert - IPR14 production begins February 1st
- d. Project-wide DEI Staff Training being organized by Linda and Lizanne in response to Climate Study findings
 - Lizanne recommending a retreat for L2s on Inclusive Leadership skills
 - Linda recommending each WBS include use of a DEI playlist of TED talks and other short videos for discussions. An approach similar to study groups used by the Montgomery County MD public school system but virtual. Some WBS areas may not have enough diversity in staff.
 - Submit facilitators and materials to Linda.

2. Broadening Participation – Linda/Rosie/Unislawa

- a. C4C Student Program – no updates
- b. ACSC Student Program – no updates
- c. ACSC Curriculum – First Module in a Box in testing this spring at UPRM.
- d. Hackathons – Committed to one the weekend before PEARC21. Commitment made by SGCI but XSEDE BP willing to support. Je'aime will discuss resources needed with Linda as well as a hackathon in the spring.
- e. Partnership Development and Management – CSULA, AUCC, LSAMP
 - AUCC – Linda will check in now that there has been some leadership changes and infusion of new funding.
 - CSLUA – Rosie reached out to schedule discussion on funding opportunity.
 - Florida-Georgia LSAM – Linda will check in to get a call scheduled.

3. Communications

- a. Student Program Information Session – Schedule 1/19 and will be recorded. Good collaboration with IU-Jetstream, NCAR, and within XSEDE.
