04/06/2021 Call Notes

Participants: Linda Akli, Jay Alameda, Marques Bland, Kate Cahill, Rosie Gomez, John Holly, Susan Mehringer, Je'aime Powell, Aaron Weeden

Agenda, Discussion, Actions

1. Admin

- a. PY11 Planning and PY10 Annual Report
 - John Holly is now the keeper of the BP-WD Master Schedule of Events and Campus-Organization Access Status
 - Susan and John will check on the campus data provided on multi-cast Monthly workshop institutions to see how much analysis has been done on trends, demographics, that might be of interest for summarization in the Annual Report.
 - Suggest making notes to highlights for the report.
- b. Reminder to all to complete their Risk Register Review which can be to just put the risk back to monitoring status

2. Broadening Participation

- a. C4C @SC21
 - Application opened this week
 - Promotion started – shared with ER
 - Training and preparation prior to SC to reduce competing demands on students and they can fully participate in Students at SC activities
 - Rosie and Dawn will connect with Je'aime for coordination between C4C and HPC In the City Hackathon @SC21
- b. ACSC
 - No event co-located with PEARC21
 - Multiple regional events in planning for the spring of 2022 when conditions should allow for travel and in-person format. Pacific region is in planning with Chaminade University of Honolulu. West and East coast locations are being investigated. Recommend considering local partnerships to simplify the logistics in addition to cultural and accessible transportation.
- c. BP Hackathons
 - Je'aime presented to a group of 17 faculty at ADMI about Hackathons with participation from previous mentors. A great way to recruit additional mentors as well as identify venues and participants for future hackathons. ADMI steering-program committee interested in increased sponsorship from XSEDE for 2022. Linda, Rosie, and Je'aime will meet to discuss as part of the BP conference sponsorship strategy and ROI assessment and planning for PY11.
 - Summer 2021 – coincident with PEARC2. Elizabeth Leake, PEARC21 Student Committee Chair showing strong support for the hackathon. Offering free conference registration for Hackathon students.
 - Fall 2021 – HPC in the City @SC21
 - Linda will explore a Hackathon co-located with ERN 22

- d. University of Central Florida New User Training, April 15
<https://www.xsede.org/web/xup/course-calendar/-/training-user/class/2303/session/3963>
 - 12 registrants all added to the training allocation
 - Registration closes tomorrow cob
 - Linda, John, Sandi, and Jay will get together to organize the proctoring and walkthrough the material prior to the workshop. Susan has a conflict and will not be available to proctor this session but still would like to proctor a future session.
