

CEE Broadening Participation and Workforce Development
11/2/2021 Call Notes

Participants: Linda Akli, Jay Alameda, Sue Fratkin, Rosie Gomez, John Holly, Dawn Hunter, Je'aime Powell, Susan Mehringer, Aaron Weeden, Julie Wernert

Agenda and Discussion:

1. Admin
 - a. IPR16- most input received and will let leads know when to review for correct entry of metrics data and text.
 - b. John will do a doodle poll for a staff dinner and games in early December
2. Broadening Participation
 - a. SC21 ACSC – 15 students; Orientation, Ice Breaker, and New User Training + Office Hours completed; R Training, Data Science Training, and activities starting to go into full swing. Sue completed the judging rubric and Dawn shared with judges.
 - b. SC21 Hackathon – starts training sessions completed; XSEDE supporting mentors with stipends and SC registrations (~\$16,000); John and Je'aime will be engaged full tilt through Monday evening 11/8. Je'aime shared some graphics of the demographic data that is a great model for displaying the demographic data for other student programs.
 - c. ACSC Regional Workshops – Dawn is facilitating planning meetings; ACSC-Pacific and leveraging the Pacific LSAMP; ACSC-East will be hosted at SURA to reduce facilities costs and has potential opportunities for visits to Capital Hill, Urban Institute, and cultural sites; ACSC-PEARC22 to be determined if budget becomes available.
3. Education
 - a. ACSC Data Science Fellows Saturday Series in development by Kate and Jaye Nias. Invitations to participate will go out this week with deadline mid-month to apply. Goal is to seed the development of a community of practice.
 - b. Evaluation discussion scheduled this week.
4. EMPOWER – Fall cohort work is going well. Spring cohort received 86 student applications and 53 positions and expect to have a cohort the same size or slightly larger than the fall one.
5. Terminology Task Force
 - a. Awaiting confirmation that Sitebulb software license is purchased by NCSA and hope it will be in time to run training at the December Quarterly staff meeting.
 - b. SC21 Birds of a Feather, almost all invited lightning talk speakers accepted. Organizational meeting of the facilitators will be Tuesday November 9 at 11am ET using the CEE-BP-WD zoom coordinates.
6. Training
 - a. Second YouTube submission in review and review expected to be complete by end of the week.

- b. Linda referred possible promotion and addition of UCAR training materials identified by Rich Knepper to Susan and the training team.
- 7. Evaluation
 - a. Meeting scheduled
- 8. Conferences
 - a. SC21, Hybrid, November 14 – 19, (St Louis + Remote Participation Option), <https://sc21.supercomputing.org/>
 - b. Emerging Researchers National Conference – February 3-5, 2022, Washington, DC, <https://emerging-researchers.org/>
 - c. Association of Computer Science Departments at Minority Institutions (ADMI) Symposium Spring 2022
 - d. PEARC22 July 10 – 14, 2022, Boston, MA, <https://pearc.acm.org/pearc22/>
