

CEE Broadening Participation and Workforce Development
03/15/2022 Call Notes

Participants: Linda Akli, Kate Cahill, Sue Fratkin, Rosie Gomez, John Holly, Dawn Hunter, Susan Mehringer, Jaye Nias, Aaron Weeden

1. Admin – Linda
 - a. Plan for completing lessons – discussion overtaken by events
 - i. Deadline for Kelly/Linda to complete is April 8th.
 - ii. Add comments to google documents or send via email to Linda by March 30th.
 - b. Budget Request Status – no update
 - c. ER Slide regarding transition
 - i. Limited value to students
 - ii. Training and education might benefit. Linda will send comments and schedule call with Dina to discuss.
2. Student programs longitudinal survey – Rosie
 - a. No response from Hackathon students. About 10% response from others.
 - b. National Clearinghouse data, LinkedIn and normal contacts should be sufficient.
 - c. End survey sooner than later to reduce burden on evaluation.
3. Broadening Participation
 - a. ACSC Pacific – Dawn
 - i. Starts Monday 3/21
 - ii. Rylan provided schedule.
 - iii. Encourage staff to be as engaged as possible.
 - b. ACSC East – Dawn
 - i. Application review in progress. Expect to select 30.
 - ii. Eleven applications completed for the Adult Learner/Opportunity Youth applications. Deadline is March 21st.
 - iii. Logistics planning in progress
 - c. ADMI Hackathon – Je'aime/John
 - i. All is well.
 - d. ACSC Community Development Fellows – Kate
 - i. Minimal response to mid-point survey. Could be spring break. Just end survey and move forward with program.
 - ii. No response for judging ACSC East. We'll move on to solicit others for judging.
 - iii. Kate is working on an update to the XSEDE website. Rosie provided contact information.
 - iv. Next meeting March 26.
4. Terminology Task Force – Susan
 - a. Creating a series of 2-week tasks to reduce push progress and prevent procrastination.
 - b. Working on documentation regarding the term “user”
5. Training – Susan

- a. Trains are running.
6. Education – Kate
- a. CCE – now has a waiting list. OSC has enough participant support to issue stipends to everyone.
 - b. R in May and ACSC in June workshops in planning.
7. EMPOWER – Aaron
- a. All is Well.
8. Conferences
- a. March 24-27, Association of Computer Science Departments at Minority Institutions (ADMI) Symposium, <https://www.admiusa.org/admi2022/index.php>
 - b. April 5 – 7, Mini Gateways, <https://sciencegateways.org/minigateways2022>
 - c. April 8 – 9, blackcomputeHER 2022 Virtual, <https://blackcomputeher.org/>
