

Upcoming and Potential Collaborators

Site Visits

SIU Carbondale - Chet Langin - cl.research@siu.edu

Primarily admin and researcher education; some deeper SLURM config, help support Condo model.
Visit planned for Oct week of 8-12th; currently getting in touch with new Director of Computing & new faculty.

OpenStack Consults

Potential:

- Tim Middlekoop at Missouri
- Michael Wiesner at Columbia (<https://tickets.xsede.org/Ticket/Display.html?id=116608>)

Remote Consultation

Clarkson -

Help with hardware acquisition; possibly build phase - need to suggest
As of Jan 21st, 2020 - remote consultation w/ Scott Lopez

Discussion Phase

Oregon State University

They are interested, but not in a position to move on anything. We'll be touted as a resource when their new hires come in.
Contact again late in the year.

Paul Montagne - paul.montagne@oregonstate.edu is the current contact - should contact again in Feb 2020.

Leads (Contacted or Pre-Contact)

Chicago State University - Anil Mehta - contacted; haven't heard back.

University of Maryland Eastern Shore (UMES) - Urban Wiggins - contacted, haven't heard back. Linda Akli will be visiting.
See if we can plan a meeting while she's there.
