

Process overview & new member briefing

Attachments should be whatever Ken sends to new members.

For now, I've [attached a document that NCAR uses](#) (prepared at the request of NSF and our panel).

Research Submissions

Instructions for Research submissions (which the XRAC reviews) are detailed at <https://portal.xsede.org/allocations/research>

Using XRAS Review

Instructions for using XRAS Review are provided in the Help documentation — <https://xras-review.xsede.org/help>
