

WBS 2.2.5 ESSGW: Extended Support for Science Gateways

Mission Statement

The mission of the Extended Support for Science Gateways is to broaden science gateways' scientific impact and accelerate the scientific discovery that they enable by collaboratively assisting science gateways in the use of the diverse set of XSEDE resources.

Goals, Metrics & KPIs

Metrics

Metric	Target	Subgoal
# of completed projects	10	
Average impact and satisfaction ratings (out of 5) from PI follow-up interviews	4.5 (satisfaction) and 4.0 (impact)	
# of projects initiated and discontinued	N/A	
# of projects with work plans	10 completed per year within 45 days of initial PI contact	
# of projects with completed work plans	90% of total	
# of final reports	85% of completed projects (8 per year) within 3 months of project end	

Team Members

Name	Institution	Position	Email
Rob Quick	IU	Manager	rquick@iu.edu
Sudhakar Pamidighantam	IU	Consultant	pamidigs@iu.edu
Eroma Abeysinghe	IU	Consultant	eabeysin@iu.edu
Suresh Marru	IU	Consultant	smarru@iu.edu
Christopher Thompson	Purdue	Consultant	thompscs@purdue.edu
Lan Zhao	Purdue	Consultant	lanzhao@purdue.edu
Mona Wong-Barnum	SDSC	Consultant	mona@sdsc.edu
Terri Schwartz	SDSC	Consultant	terri@sdsc.edu
Choonhan Youn	SDSC	Consultant	cyoun@sdsc.edu
Andrea Zonca	SDSC	Consultant	zonca@sdsc.edu
Yan Liu	UIUC	Consultant	yanliu@illinois.edu
Mats Rynge	USC	Consultant	rynge@isi.edu

Communication & Meetings

- Email list: ecss-gateways@xsede.org : request access by email to the ESSGW manager: rquick@iu.edu
- ESSGW staff members have bimonthly one-on-one meetings with the ESSGW manager. These meetings follow a "progress, problems, and plans" format. Notes are captured on Google Docs shared between the manager and consultant.

New Staff Orientation
