

SP Software Meeting 6/7/2021

Attendees

Name	Institution	Attended?
Mark Huang	Texas A&M	
JP Navarro	U Chicago/ XSEDE	X
Chuck Schwartz	Purdue	X
Jason St. John	Purdue	X
Francis Dang	Texas A&M	X
Jeffrey Frey	University of Delaware	
Trevor Cooper	SDSC	
Vikram Gazula	University of Kentucky	X
Shava Smallen	SDSC/XSEDE	X
Anita Schwartz	University of Delaware	
John Huffman	University of Delaware	
Paul Williams	University of Delaware	X
Kevin Colby	Purdue	
David Carver	TACC	X
Tabitha Samuel	NICS/XSEDE	X
Derek Simmel	PSC/XSEDE	X
Stephen Bird	IU/ XSEDE	X
Lisa Perez	Texas A&M	X
Dhruva Chakravorty	Texas A&M	X

Agenda:

- Announcements
 - PEARC21 registration open
- XCI Updates:
 - Tutorial on GCS v 5.4 at PEARC21
 - GCS v 5.4 deployment plan
- Open discussion

Notes:

1. Announcements:
 - a. PEARC21 registration is now live.
 - b. Please sign up soon as in the past popular tutorials etc have filled up quickly.
2. XCI Updates:
 - a. PEARC21: 7.19.21 Globus tutorial, please attend if you're interested in learning more about GCSv5.4 deployment and features.
 - b. GCS v5.4:
 - i. July1 will be official release of GCS5.4
 - ii. U Delaware has already got it up and running
 - iii. Walk through of deployment plan done in meeting
 1. Plan is at <https://docs.google.com/document/d/1RGgrjvn1G1HKxGuzAFv3VDzC3yRe3ZGJRcHOxbxrurk/edit?usp=sharing>
 2. SPs please provide feedback/comments on the plan
 3. Plan to have a living document for GCS 5.4 questions that SPs and Globus team can look at at the same time.
 - c. RDR update coming down the pike fairly soon.
3. Open discussion:
 - a. U Delaware: GCSv5.4 in a docker container. Container info is available at <https://gitlab.com/udel-itrci/globus-connect-server-deploy>
 - b. A&M: Installations in progress. Hit pretty hard in supply chain issues.
 - c. Purdue: Scratch filesystem has been racked, waiting on vendor to deploy. Infra has mostly been deployed.

d. Delaware: Working on IPF. AMIE and INCA next.
