- Important Dates
 - IPR10 due 11/20
 - SC19 - 11/17 - 11/22
- General Announcements – Kelly
- WBS area updates
 - Workforce Development - Linda
 - Made 70+ contacts at SacNas conference – 4-5 people provided unsolicited testimonials about how much they loved XSEDE; CIOs (South Carolina, USC, Delaware) were raving about XSEDE; need to figure out how to capture the unsolicited testimonials and share it.
 - There are some metrics that seem off that are not KPIs; likely going to have a meeting to discuss.
 - EMPOWER applications closed 11/1; do not have the number yet.
 - For IPR, we are on target.
 - Training – Susan
 - Student Programs – Rosie
 - Education – Kate
- User Engagement – Bryan
 - UE finished with IPR and at 96%; one issue outstanding that will be resolved soon.
 - Sending out approximately 39 emails to those rejected at last XRAC to find out what their plans are and figure out how we can best serve these folks.
 - Would it be worth it to do a scan of the allocation language? To ensure all who can apply recognize that they can/should.
 - NSF unconscious bias training – engage Ken to see if reviewers should go through this training once per year.
 - Need to look to see if there is a bias even occurring.
 - What percent who get rejected resubmit? What would be beneficial to get them to resubmit?
- Broadening Participation – Linda
 - Computing4Change participating at SC19, leveraging more XSEDE resources; good webinars; 20 students, 5/6 mentors participating; having ER help promote for the lightning talks with students.
 - Preparing for Saturday trainings with Cal State LA for spring.
 - Having training for their 4 campuses - Clark Atlanta University.
 - Participating in Emerging Researchers conference.
- UII – Maytal
- Campus Engagement – Dana and Henry
 - Champions leadership team had a retreat a few weeks ago in Dallas, TX – great meeting; various working groups evolved from 2018 climate survey.
 - Website update: campuschampions.
 - Prepping for onboarding for 2020.
 - Traditional Champions meeting on Tuesday at SC19.
- General Discussion
