

20211130- L2 Response to Climate Study RAS, CEE, ECSS

Decisions:

Summary	Description

Action Items:

Summary	Description	Responsible	Due Date
Share availability of Org Charts etc. on wiki/website with ER & BusOps teams 	In response to comment re. "More guidance on workflows, processes, and expectations" will make sure PgO staff are aware of where to find such resources on the wiki & website	Leslie Froeschl	
Follow up with subaward business office folks re. satisfaction with new process 	In response to comment re "Better planning; moving away from last-minute requests leading to subpar or average work produced" PgO will reach out to subaward business office folks to gauge satisfaction with new processes implemented in the last year.	Ron Payne	
Consider whether ER team feels better planning is needed 	In response to comment re "Better planning; moving away from last-minute requests leading to subpar or average work produced" Ron, Dina, Leslie to meet and discuss how to address this with ER team to ensure they feel supported.	Leslie Froeschl	
Coordinate follow up meeting between Eval team and ECSS Mgmt 	Further discussions needed regarding Climate Study	Marques Bland	12/3/21

Notes/ Discussion items:

RAS: Issue with people feeling their local supervisor isn't supportive of XSEDE work is important to include in lessons learned re. how to manage the local relationship.

PgO: Initiated new activities in BusOps and new staff in ER: either could be the source of the "Better planning, moving away from last-minute requests" comment.
