

Senior Management Team (SMT) Meeting

XSEDE Senior Management Team

Mission Statement

The SMT will meet on a bi-weekly basis to assess project status, plans, and issues. This team is constituted from those responsible for the day-to-day operation of the project and is the highest level management body in the organization. In order to be responsive to both the user community and the set of SPs with whom we will collaborate, the chairs of the User Advisory Committee and the XD Service Providers Forum are members of this team. The XSEDE Senior Management Team (SMT) will be chaired by the Program Director, and will include the directors of XSEDE Operations, Community Engagement & Enrichment, Extended Collaborative Support Service, XSEDE Community Infrastructure, Resource Allocations Service, Program Office, the Senior Project Manager, the Evaluation Lead, the Chair of the User Advisory Committee, and the Chair of the XD Service Providers Forum.
